

# **Thank you for downloading this Pixel Buddha Freebie from **MadeinSweden****

I hope you will find them useful for your projects :)

## **Quick Guide: Edit Smart-Objects! !**

Open the mock-up you want to edit in Photoshop

Look for the layer marked with a green eye icon

Double click the layers thumbnail

Click OK on the pop-up that opens

Change the screen with your screenshot

Save by either clicking (windows: ctrl+s) or (mac: cmd+s)

Screen will now be changed with your screenshot

And you're DONE! :)

Start creating awesome presentations and blow your clients minds with photorealistic results!

**Thank you again for downloading this freebie!! You are the most awesome person in the world! :)**

**If you like this small freebie I hope you will check out my premium items over on CreativeMarket and maybe pick up an item or two :)**
